The New York Emmy-nominated Media Share Program helps Brooklyn-based or Brooklyn-affiliated nonprofits move their mission with an in-kind grant valued at \$6,000 - \$10,000.

Our goal is to help nonprofits become "hands-on" with the creation of videos that can promote and inform the public about their work. This content will air on Brooklyn Free Speech television which is cablecast to over 550,000 Brooklyn households and countless more online. Through this program, Brooklyn Free Speech hopes to form ongoing media partnerships with our participating organizations.

We're all about supporting nonprofits! Apply for this grant program before the Sunday, March 5, 2016 deadline.
